Art Deco Hotel Montana - The four-star city hotel overlooks the lakeside promenade, with views over Lake Lucerne, the city of Lucerne and the mountains. The hotel convinces with a gourmet cuisine, which was awarded 15 points by Gault & Millau, and its charming hospitality. Each of the hotel's 42 Art Deco and 19 penthouse rooms is individually furnished.

From small meetings of 8 people to large seminars with up to 130 participants – all seven conference and seminar rooms can be sectioned off or linked up. There is the option to choose between an “all-inclusive” package, which includes an overnight stay, catering during the stay, and a seminar room complete with basic technical

equipment or a package option individually tailored.

When it comes to accompanying activities, the Montana Kitchen Club is the perfect choice: enjoying a lively apero, dinner or even cooking-class with chef Johan Breedijk in the heart of the hotel's kitchen. Combined with a hotel tour, cocktails at the Beach Club or a whisky-tasting at the Louis Bar with live music makes every meeting day unique.
