Unique locations give birth to unusual ideas: Mount Pilatus, high above the sea of fog with views across to the heart of the Alpine massif, is the perfect place for some clear thinking in the fresh mountain air. The flexible room concept in the Gipfelsaal offers space for events up to 160 people and can be divided into 4 breakout rooms. The Dragon Forum is the ideal choice for presentations for up to 150 people whereas the historic Queen Victoria Hall is suitable for unforgettable banquets in an unique

ambiance. The panorama during the sunset can best be enjoyed at the Ibex bar before dining. Later in the evening drinks can be enjoyed in the stylish Lobby.

Stay in one of the 20 standard rooms of the Hotel Bellevue which are comfortably furnished and most offer a view of the Alps and Lake Lucerne. The panoramic view is truly magnificent and leaves a lasting impression, no matter the time of year or weather. The 27 superior rooms and 3 junior suites, which all offer a

breathtaking view of the Alps, are situated in the historic mountain hotel Pilatus-Kulm****. It was built in 1890 and completely renovated in 2010. Put the icing on your mountaintop experience with a cosy dinner and be gently woken up by the fantastic sunrise the next morning.
