The 5-Star Hotel Schweizerhof Luzern is prominently located in the centre of Luzern, the city of lights. Due to the major events regularly held there, such as the Blue Balls Festival, Lucerne Blues Festival or The Retro Festival, the hotel and its over 170 years of tradition is not just a nice place for the locals to meet, it is also a well-established venue for all types of events.

The nine rooms are bathed in natural light thus provide the ideal location for every

event. Moreover, the cuisine provided by the à la carte speciality restaurant Galerie and the city restaurant Pavillon offers sustenance throughout the day.

Stories have been a feature of the Hotel Schweizerhof Luzern. Not the stories of 1001 nights granted, but nevertheless 101 individual stories of people past and present (prominent philosophers, artists, actors, athletes, musicians and royalty) who have stayed at the hotel.

History comes to life in the new, renovated hotel rooms, which were awarded the Swiss tourism sector's top accolade "Milestone".

Located at one of the most beautiful spots of Lake Lucerne you find another amazing bijou – the Villa Schweizerhof. The view is stunning, the ambience exclusive and full of warmth. A place for locals as well as travellers. Unexpectedly different, characterized by the local ingredients. And flavoured with daily fresh herbs of the own backyard.
