Campus Sursee is the largest centre for seminars and conventions in the German-speaking part of Switzerland.

At the same time it is the schooling centre of the Swiss Association of Master Builders. It has undergone a tremendous development since its first days in 1972: at present it offers 65 modular seminar

rooms, one large conference hall for 500 people, around 550 hotel rooms and five restaurants.

Within a short distance of Lucerne, situated in unspoilt nature, one can find the perfect setting for seminars, symposiums and conventions. 550 hotel rooms and a huge range of leisure time facilities

such as indoor swimming pool and a sports hall allow the guests to relax and to recreate. Imaginative team events and a varied social programme complete the offerings. The new aquatic centre with a 50 meter olympic pool will open in 2019.
