

# VERKEHRSHAUS CONFERENCE CENTER

Verkehrshaus der Schweiz | Conference Center | Lidostrasse 5 | CH-6006 Luzern | Phone +41 41 375 74 05  
 conference@verkehrshaus.ch | www.verkehrshaus.ch

The Swiss Museum of Transport is not only the most-visited museum in Switzerland. It is also a special place for conferences and events. In a superb location – directly by the lake –, practical to reach by rail, coach, boat or car, the Conference Center offers a large number of premises and a unique atmosphere for unforgettable events.

The Conference Center has a highly modern conference hall with a capacity of up to 600 people, 3 seminar rooms and a generous foyer. Other exhibition and meeting rooms and an auditorium for up to 120 people round off the diverse facilities.

3 theme halls of the museum can be rented for private events. How about a refreshing aperitif or a gala dinner in the middle of the museum?

Further attractions, such as the Planetarium, the Filmtheatre or the Swiss Chocolate Adventure provide a framework for an extraordinary accompanying programme.
